

Environmental Internship

A summer opportunity for an owner or uri interested in environmental science, sustainability and practical environmental work across Tuaropaki.

Location	Taupō / Mōkai	Duration	November 2026 – March 2027 (flexible depending on placement)
Type	Paid summer internship	Eligibility	Tuaropaki owners and uri

Who we're looking for

- Studying or have studied environmental science, sustainability or a related discipline.
- Comfortable undertaking outdoor work in a range of weather conditions.
- Able to understand and follow prescribed processes and protocols, particularly environmental sampling procedures.
- Experience using Excel for data entry and analysis.
- Restricted driver's licence at minimum.
- Shows initiative and seeks support or clarification when required.
- Familiar with the concept of Safe Operating Procedures (SOPs).
- Basic scientific/data report-writing capability.

About the programme

Our internships are designed to strengthen your connection to Tuaropaki, build capability through meaningful work experience and mentoring, and give you the opportunity to contribute to real work across the Trust.

This role is suited to someone who enjoys a mix of practical field work and data-based environmental work.

How to apply

Submit an Expression of Interest by Monday 14 September 2026.

Complete the online EOI form and tell us about yourself, your connection to Tuaropaki, your experience and what you hope to gain from the internship.
