

# Farm Internships

Two summer opportunities across Tuaropaki's farming operations for uri who are passionate about farming, agriculture and working on the whenua.

|          |                        |             |                                                                 |
|----------|------------------------|-------------|-----------------------------------------------------------------|
| Location | Taupō / Mōkai          | Duration    | November 2026 – March 2027<br>(flexible depending on placement) |
| Type     | Paid summer internship | Eligibility | Tuaropaki owners and uri                                        |

## Who we're looking for

- Studying agriculture, farming, agribusiness or a related discipline and/or has practical farming experience through whānau, previous employment or growing up in a farming environment.
- Genuine passion for farming, agriculture and working on the whenua.
- Some existing practical farming experience and understanding of what farm work involves.
- Physically fit and capable of practical outdoor work in a range of weather conditions.
- Reliable, hardworking and willing to participate in all aspects of day-to-day farming operations.
- Restricted driver's licence at minimum.
- Interest in developing farming capability and exploring career pathways within the primary sector.

## About the programme

Our internships are designed to strengthen your connection to Tuaropaki, build capability through meaningful work experience and mentoring, and give you the opportunity to contribute to real work across the Trust.

Two general Farm Internship positions are available. Successful applicants will be matched to placements based on their experience, interests and operational requirements. Accommodation in Mōkai will be available for Farm Interns.

## How to apply

Submit an Expression of Interest by Monday 14 September 2026.

Complete the online EOI form and tell us about yourself, your connection to Tuaropaki, your experience and what you hope to gain from the internship.
