**Tēnā tātou katoa,**

This letter provides an update on changes to the regional wānanga, especially for Hastings. We are still looking forward to meeting with our Owner and uri, but please remember that **wānanga can only be held in Alert Level 1.**

### **Hasting wānanga**

We have had such a positive response to our Regional Owners' Wānanga in **Hastings**, we have decided to change to a bigger venue. The new venue for our wānanga is the Cheval Room at the **Hawkes Bay Racing Centre, 300 Prospect Road, Raureka, Hawkes Bay.**

We did not take the change in venue lightly, however because the Review of our Trust Order is so important, we need a venue large enough to accommodate our whānau and ensure that we can uphold the rules around social distancing.

### **RSVPs for the wānanga**

Please RSVP by emailing [ownerservices@tuaropaki.com](mailto:ownerservices@tuaropaki.com) or by calling 07 376 2500 before the respective regional wānanga to confirm:

- who will be attending,
- whether you are an Owner and/or uri, and
- if you have any dietary requirements.

This will help us ensure that we have everything we need on the day.

For our hard of hearing whānau, we will have a sign interpreter at Mōkai. At this stage we have not booked sign interpreters at the other regional wānanga, so please let us know ASAP if you or your whānau need this service so that we can ensure it is sorted.

### **Conclusion**

In the coming weeks, you will receive our consultation document which will give more information on the potential changes to the Trust Order. The wānanga are still a really important way to participate, so we hope to see as many Owners and uri as possible at the regional wānanga.
